Our job is to provide you with Credit Assistance.

We work together with you to assess your requirements and objections for the type of finance you require. In doing so we determine which credit contracts from our range of credit providers are not un-suitable for you.

We are required to provide this Credit Guide to you as soon as practicable after it becomes apparent that we are likely to provide credit assistance to you.

WHAT IS CREDIT ASSISTANCE?

We give you credit assistance when:

- we assist you to apply for a particular lease or consumer loan;
- we suggest you apply for a particular lease or consumer loan (or suggest you apply for an increase to an existing lease or consumer loan); or
- we suggest you remain in your current lease or consumer loan.

THE ASSESSMENT WE NEED TO DO BEFORE GIVING YOU CREDIT ASSISTANCE

Before we provide credit assistance to you, we assess whether the particular loan or lease is not unsuitable for you. To do this, we need to make reasonable inquiries and verify that:

- the lease or consumer loan or increase will meet your requirements and objectives; and
- you can meet the proposed repayments.

We may also request documentation in order to verify the information contained in the preliminary assessment such as payslips, letter of employment and bank statements.

We won't be able to give you credit assistance if our assessment shows that:

- you won't be able to meet the proposed repayments without substantial hardship; or
- the lease or consumer loan won't meet your requirements or objectives.

GETTING A COPY OF OUR ASSESSMENT

If we provide you with credit assistance, you can ask us for a copy of our assessment any time up to 7 years after we provide you with a credit assistance quote. To request a copy please contact us. We will provide you with a copy:

- within 7 business days after the day we receive your request – provided you make the request within 2 years of the date of our credit assistance quote; or
- otherwise, within 21 business days after the day we receive your request.

The actual fee depends on the extent of work we need to undertake on your behalf but will not exceed \$990.00 (including GST). The actual amount will be confirmed in the Credit Proposal we present to you prior to your acceptance of the credit we have obtained. This fee will be payable at the time the funds are released by the credit provider and is usually included in your loan. No fee is charged if you do not accept the Credit Proposal.

Commissions

These are not payable by you. When we provide you with credit assistance, we may receive commissions from the credit providers involved. We may receive commissions when we provide credit assistance to you in the form of upfront commission, trail commission and/or additional commission depending on the total volume of business we place with the credit provider. Upfront Commissions can vary from 0% to 8%* of the amount financed in the loan contract.

*The percentage is determined by the credit provider is subject to review and change. We can provide, on request, a reasonable estimate of the commission, fees and benefits and how they are calculated.
